About the Company

About Cross Roads

Headquartered in Dammam, Cross Roads Transportation delivers integrated logistics solutions across Saudi Arabia and the GCC, built on three core pillars: transportation, customs clearance, and warehousing.

Our transport services cover containers, industrial liquids, general cargo, and heavy-lift/oversized shipments, supported by a specialized fleet and trained crews. Our licensed customs clearance team manages import and export procedures through ports and border crossings with full regulatory compliance. Our warehousing solutions offer flexible dry and temperature-controlled (refrigerated) storage tailored to client needs.

Backed by ISO-certified quality, safety, and environmental management systems and an approved Saudi Aramco supplier status, Cross Roads has built a reputation for reliability and service excellence delivering tailored logistics solutions that keep pace with the evolving needs of clients and the market.
